Dear Francesca, dear Annamaria,

I hope you are doing well, safe and healthy.

Thank you for your emails and for accepting our proposal to participate in the international legal webinars.

As per your questions, please find below the answers:

- We don't have any indications of dates. Our intention is to publish one video per week.
- It is possible to show slides if the speaker wants to do so.
- The videos should be in English or Spanish.

Please find attached a document with instructions to record the videos.

Best regards and stay safe
