

**ELTA**

**EUROPEAN LEGAL  
TECH ASSOCIATION**

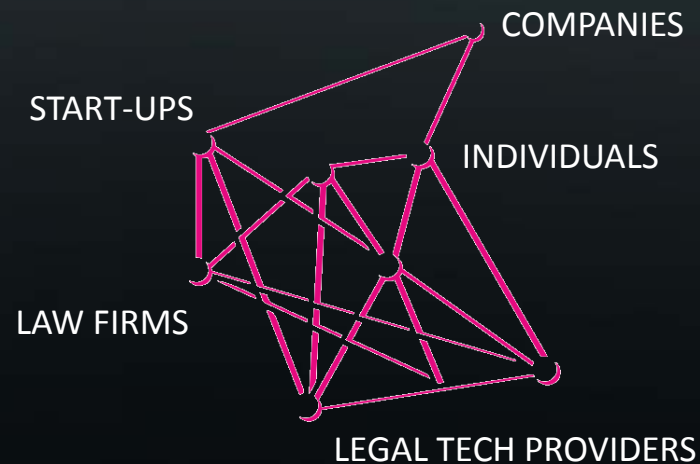

## ABOUT ELTA

### PLATFORM

The Association regards itself as a platform specifically for the promotion of knowledge about, and the possible application of technology- and software-supported solutions in the legal market (legal technology) as well as its use within companies, law firms, start-ups, and other initiatives active in this area.

### EUROPEAN NETWORK

### INCUBATOR

The ELTA's goal is to represent the interests of its members. The ELTA is actively involved in social and political debate in order to speak up for the concerns and interests of its members and to strengthen the position of legal technology in the European legal market. In so doing, the ELTA addresses topics that are relevant for the use and continuous development of legal technology, develops specific proposals, and advocates these vis-à-vis the political sphere, business, media, and society.

# REGIONAL AMBASSADORS

- The ELTA board envisions that the Ambassador Program will become an international think tank, enabling the association to initiate a cross-border exchange of views, ideas and experiences, as well as working on concrete projects.
- To accomplish this, the ELTA board asked a group of handpicked well-connected legal tech pioneers from all over Europe and beyond, who volunteered to act as "swinging doors" between their particular country or region and the international level of ELTA.
